Monitoring and Evaluation

The Headteacher is responsible for updating this policy in line with any new developments in the school and new government guidance. All staff are expected to follow the policy and the Leadership Team will be responsible for ensuring the effectiveness of practice across the school, reporting to the Resources Committee.

Sherborne - For LIFE!

At Sherborne CofE Primary School, all stakeholders are expected to know and promote the school's aims and ethos. Our motto, Sherborne – For LIFE!, represents these aims and provides a reminder of our core purpose:

Our school nurtures a [Love of Learning](#)

Our school promotes [Independence and Individuality](#)

Our school is [Fun and children leave with a sense of Fulfilment](#)

Our school expects [Excellence from pupils and staff, and Enjoyment fills every classroom](#)

The school's motto is taken from John 10:10, where Jesus said, "I have come that they may have life, and have it to the full." We believe that having life to the full means that children receive an excellent, broad and balanced learning journey which recognises the importance of good mental and physical health. The school is clear that all children are unique, with different talents and learning needs. Each child is valued equally as a part of the school community.

All pupils, both current and past, will always be welcome at the school. Once a Sherborne pupil, children are Sherborne – For LIFE!

Sherborne C of E Primary School's 'Access Plan' has been produced in collaboration with the school community and will advise other school planning documents. The Access Plan will be reviewed annually in respect of progress and outcomes, and provide a projected plan for the four year period ahead of the next review date or sooner, subject to changes in relevant legislative policy with regards to access.

The Access Plan is structured to complement and support the school's Equality Objectives, and will similarly be published on the school website.

Sherborne C of E Primary School is committed to providing an environment that enables full access to a curriculum that is accessible to all pupils, staff, parents and visitors regardless of their education, physical, sensory, social, spiritual, emotional and cultural needs. We are committed to taking positive action in keeping with the Equality Act 2010 as regards disability and the need to develop a culture of inclusion, support and awareness within the School.

Sherborne C of E Primary School's Access Plan shows how access is to be improved for disabled pupils, staff and visitors to the School within a given timeframe and, so far as is reasonable, in anticipating the need to make adjustments to accommodate individual needs where practicable. The Access Plan contains:

1. Measures to increase access to the curriculum for pupils with a disability, expanding the curriculum as necessary to ensure that pupils with a disability are as equally prepared for life as are the able-bodied pupils. This covers teaching and learning and the wider curriculum of the school such as participation in after-school clubs, leisure and cultural activities, and school visits. It also covers the provision of specialist or auxiliary aids and equipment, which may assist these pupils in accessing the curriculum within a reasonable timeframe;
2. Measures to improve access to the physical environment of the school, adding specialist facilities as necessary - this covers improvements to the physical environment of the school and physical aids to access education within a reasonable timeframe;
3. Measures to improve the delivery of written information to pupils, staff, parents and visitors with disabilities. Examples include handouts, timetables, textbooks and information about the school and school events. Information will be made available in various preferred formats within a reasonable timeframe.

The Access Plan relates to the key aspects of physical environment, curriculum and written information.

Whole school training addresses the need for continued awareness for staff and governors on equality issues in keeping with the Equality Act 2010.

The Access Plan should be read in conjunction with the following school policies, strategies and documents:

- Curriculum Policies
- Equality Objectives
- Health & Safety Policy (including off-site safety)
- Special Educational Needs Policy
- Behaviour Policy
- School Development Plan

The Access Plan for physical Access relates to the Access Audit of the School, which was originally undertaken by the Local Authority and subsequently updated by the School and remains the responsibility of the governing body. It may not be feasible to undertake all of the works during the life of this Access Plan and therefore some items will roll forward into subsequent plans. An Access Audit will be completed by the school prior to the end of each period covering this plan in order to inform the development of a new Access Plan for the ongoing period.

Equality Impact Assessments will be undertaken as and when school policies are reviewed. The terms of reference for all governors' committees will include the need to consider Equality and Diversity issues as required by the Equality Act 2010.

The Access Plan will be published on the school website.

The Access Plan will be monitored through the Governor Resources Committee.

The School will work in partnership with any necessary agencies when developing and implementing the Access Plan.

The Access Plan may be monitored by Ofsted during Inspection processes in relation to Schedule 10 of the Equality Act 2010.
